GENERAL STUDIO POLICIES

Entrance/Shoe Removal

No outdoor shoes are allowed past the front doorway. All outdoor shoes must be removed, this will keep entry walkways clear, waiting room and studio floors cleaner, and prevent from lost or mistaken shoes! A much friendlier experience for a bare-footed dancer and easier on our expensive dance shoes as well.

Lost and Found

We keep a lost and found box in the studio lobby – please check it regularly as it can fill up quickly. If items are not claimed after an extended period of time, we will donate or discard of the contents. Remember to label all of your items, including shoes, so if your item is lost, it is easily identifiable. Dance Plus will not send emails out to parents regarding missing items. Students leaving money or valuables in the waiting area do so at their own risk. **Dance Plus will not be held responsible for lost or stolen items.**

Vandalism/Stealing

Vandalism or stealing of any kind to the studio, posters, walls, etc. will not be tolerated. Anyone aware of any vandalism in the studio is asked to report it immediately. We are a dance family – please respect the Dance Plus property. Anyone caught destroying property will be asked to leave the studio without refund and will be held responsible for any damages.

Waiting Room Rules

Dance Plus has a waiting area for our dancers. Understand that outside of the classrooms is unsupervised. We understand it becomes very crowded with dancers waiting in-between classes, so ask everyone to do their best with the traffic. We strongly encourage parents, to drop off their child for class and pick them up afterwards. Feel free to use this time to run errands or grab a quick coffee!

- **RESPECT** the Dance Plus area as if it were your home!
- Keep the waiting room **CLEAN and TIDY** – use the garbage and recycling bins provided.
- Dancers must use the **hooks** for their belongings. All dance bags should be put away on the hooks or under the benches.
- **No horseplay** – the waiting areas are not to be used as a playground, keep the noise level down.
- Dance Plus is a family environment, no yelling or inappropriate **language** will be tolerated.
- All snacks and food brought to the studio must be **NUT-FREE**
- Parents are encouraged to leave the studio during their child's class and pick them up afterwards.

DANCER CONDUCT

"Dance is a team sport" everyone needs to do their part!

Dancer Dress Code

Dance Plus enforces guidelines around class attire, appearance and appropriate footwear to ensure teachers can correct alignment and technique on students and provide a full range of motion for dancers. It is important that all dancers show up to class prepared and dressed appropriately.

CLASS ATTIRE – Students are required to wear appropriate dance attire to class each week. Anyone not dressed appropriately may be unable to participate and asked to sit out of class. This means NO street wear – Jeans, dresses, play clothes, pajamas or school clothes are not suitable dance attire. Jewellery should also be limited, if not removed entirely, to reduce any distraction or danger.

Please wear fitted dance/yoga wear (i.e. bodysuits, lycra shorts/pants, tank tops)

- **Boys Attire** – wear comfortable gym clothing (i.e. Shorts, tank top, fitted t-shirt)

Attendance

Attendance at weekly classes is mandatory. Please notify your teacher in advance if you will be absent for **2 weeks or more** for any reason. If a dancer misses more than 3 classes without notice, parents will be contacted and ongoing absenteeism may result in dancers losing participation in their routine. Dance is a team sport where members need to make a necessary commitment and this policy ensures that a student’s attendance does not hinder the success of their groups.

ILLNESS/INJURY – if your dancer has an injury or sickness that is not of risk to themselves or other dancers, they are expected to attend class to WATCH the lesson. By observing class, they stay familiar with what is being taught and are ready to participate when they return without falling behind.

*** Refunds will not be given for lessons missed for any reason of your own accord (i.e. illness, family vacation, short term injury, etc.).**

NOTE: If an injury occurs that results in the dancer being unable to dance and must discontinue, Deanna must be notified immediately for accommodations to be made.

Behaviour & Etiquette

Whether dancers attend our programs to develop self-esteem, get their exercise, or work towards a professional career, appropriate and positive behaviour is necessary at all times. Dancers are expected to take personal responsibility for their actions. If problems persist, parents will be contacted.

PERFORMANCES

Appearance

As a group, it is important to look uniform and matching on stage with the same costume, tights, makeup, and hairstyle to make the dancers look professional. When a group looks and dances as a unit they will see successful results.

MAKEUP – stage makeup must be dark so dancers don't look washed out under the bright stage lights.

Stage Make-up should include:

- **Eyes** - brown eyeshadow on the lid of the eye, white eyeshadow highlighting under the brow.
- black eye liner with fish-tails from the corner and black mascara
- **Cheeks** – noticeable red/burgundy blush to brighten their face
- **Lips** – bright red lipstick (not frosted or gloss)

HAIR – Performance hairstyles will be determined when costumes arrive. Hair must be slicked back with gel or hairspray. Younger dancers typically require a curly ponytail or pigtails. Parents can purchase pre-curved hairpieces if they wish.

Bright Colored Streaks/Hair

Dancers are NOT allowed to have bright rainbow colored hair or streaks for CDTA Exams or competition season (i.e. blue, purple, pink). If your dancer has colored hair/streaks you are required to purchase a temporary spray in their natural color to cover it up.

- “Streaks n Tips” temporary spray can be purchased from “Sally’s Beauty Supply” or a similar product. This product will wash out with shampoo. Visit Sally’s Beauty Supply for product details.

REMINDER: Un-natural hair colors NOT allowed on stage
If your dancer has colored hair/streaks you are required to purchase a temporary spray in their natural color to cover it up.

OPTION:
"Streaks n Tips" temporary spray
Can be purchased from "Sally's Beauty Supply".
This product will wash out with a shampoo.

UNDERWEAR – Absolutely NO underwear is to be worn on stage. Underwear can be seen through legwear and costumes under the stage lights, making dancers look careless and unprofessional. Teachers will monitor dancers to ensure this rule is being followed.

JEWELRY – Absolutely NO jewelry or nail polish is to be worn on stage. If earrings cannot be removed, they must be covered with a bandaid. The only exception is for group accessories requested by the teacher.

Costumes

Every student will participate in our year-end recital and will require a costume for that performance, with the **same costume** to be worn at any competitions they will be attending with their group(s). Costume orders are placed December 1st to ensure delivery from the USA by competition season in March.

COSTUME PAYMENT - Individual costume prices range from **\$65.00 – 85.00 (taxes included)**.

- Full payment for all costumes is required by **November 15th**

PAYMENT POLICY – \$20.00 late fee will be applied to costumes not paid by deadline. Costumes will be HELD from any dancer that has an outstanding account. They will NOT be given out until client accounts are paid in full, with bank cheque clearing before giving to the dancer.

ALTERATIONS - Costumes come ready-made with the exception of strap adjustments, hems and headpieces to be assembled. Costumes are NOT custom fit and are ordered according to standard sizing charts based on your child's measurements taken in class. Therefore, alterations may have to be made. If alterations are required, it is the responsibility of the parent to do so.

LEGWEAR - All dancers require specific legwear for each costume. This is NOT included in the costume price. Parents have the option of pre-ordering the appropriate legwear in November with their costume order. If legwear is not pre-ordered, then it must be purchased from a local dance store.

Competitions

Dance Plus is a competitive dance studio. All dancers, with the exception of Acro, Preschool and Combo, are required to attend 2 to 4 local or regional competitions with their group(s) throughout the season. By enrolling your child in lessons we expect you to commit to the competitions your child's group(s) are attending. A dance education includes both learning and performing! We encourage our students to take any opportunity they have to get on stage. Performing and watching others, is a valuable learning experience for dancers of all ages to help grow and build their confidence as dancers.

Solo/Duo/Trio's: These routines may be added to a dancer's competition experience. Please check with your teacher to see if you are ready to participate in an extra routine and for more information on the costs and responsibility of the students that do solos, duo's or trio's.

DATES & SCHEDULES - Competition dates will be confirmed and sent out in December, along with location info and competition fees owing. If you have a reasonable conflict with any dates (i.e. school trip, wedding, pre-booked family vacation) you must notify the studio immediately so routines can be choreographed/alterd in a way that doesn't affect the routine when your child is absent. Competition schedules will become available approximately 2 weeks prior to the event dates. (check the website for updates and schedules.)

CASH AWARDS - Competitive groups have the potential to win various cash awards and trophies. Cash awards are issued directly to the studio and will be used with discretion to benefit the studio and its dancers (ie. props, workshops, renovations, etc).

Year End Recital Performances

Dance Plus celebrates the end of each season with a family oriented performance recital to showcase the talents of all our amazing students. The Dance Plus recital will be held in May and dancers will be required to participate in all performances.

Recital dates will be confirmed and announced asap based on the availability of the facility. Parents may be asked to volunteer on the show evenings to help supervise dancers backstage during the performances.

"Every dancer deserves an audience" - Our students work hard all year for the opportunity to perform on a stage and show off their talents. We encourage you to invite your whole family and friends to enjoy the entire show put on by the amazing staff and students.
