March 25-27th, 2022

Please read over carefully

Please Note:

1. All dancers need to arrive with their hair and make-up done and in their first costume. Please give yourself enough time to park, find your dressing room downstairs and be ready to dance at the “Dressed and ready time” on the schedule.
2. Links to videos explaining how to apply stage make-up and how to do hair can be found at the very bottom of the “Information and Schedules” page on our website: www.dplumsden.com
3. Once your dancer is settled in the dressing room, parents will need to leave them with our staff and return to pick them up after their performance. No parents are to stay in the dressing room area. You will have the opportunity to watch their performance in the audience.

Please find your “Dressed and Ready Times” for all routines below
