We are pleased to present to you our **36th** annual recital. Recital gives our students a chance to showcase the wonderful routines they have worked so hard in preparing for you this evening. It's been a pleasure to help our students grow from the beginner level to dancers with a technical sense and a "flare" on the stage only experience can give you. It's been another busy year, as you will see when you read through "The Year at A Glance". The students and instructors have worked side by side in preparation for our Jazz and Tap exams and competitions. We're sure you'll agree they were hours well worth their results. We sincerely hope that your year of dance education has been a very positive experience and that you'll continue to enjoy dance whether it be for recreation or higher expectations.

We would like to thank all of you for your continued support and co-operation throughout the year. Without your enthusiasm and patience, we would be unable to attend the various competitions and shows that are so valuable in becoming a good performer. Also, to our teaching staff, whose dedication, creativity and hard work is very much appreciated.

Today we will have some fun playing "Hide and Seek", as the "Barbie Girls" plan a "Teddy Bear Boogie", "Way Out" near the "Mouse Trap!" "Game On" as we "Take you out to the Ballgame" and "Let it Roll" down to intermission. "Beetlejuice will be "Lookin' Like Money" when our second half begins. Let's not "Gossip Girl" because a "Bullseye" will send you to the "Dance Doctor", where you will be "Twisting your Hips" playing some "X's and O's!" We just can't wait to entertain you, so...

"Let the Games Begin"

We hope that you will always value your dance experience and look back with memories of laughter, dedication and achievements. Many thanks again to the parents and students and we hope you enjoy our annual recital entitled... **"Game Night!"**
