

Hair Ordering Information

Dear Parents and Students,

Hair: Many of the students require a curly ponytail. If you would like a stress free way to do your dancer's hair you can purchase a curly ponytail hairpiece at a reasonable price. Sure wish these were around when my daughters were young!! You simply put your dancer's hair in a bun and attach the headpiece and you have a perfect ponytail every time! **Check out the "Dance Plus Facebook Page" to see videos on the proper way to make a bun and attach hairpieces and how to apply make-up for dance.** "All About Dance" in Regina does carry some hairpieces but their stock is limited. We have also had students purchase from the following company and understand that they ship quickly and have a good product for the price. Remember that they are a USA company and their prices are in US dollars and there will be shipping costs added. Please know that some people have had problems getting their orders from them in the past, but they are generally a good site.

Their website is... www.cheerleaderhairpieces.biz

We suggest the "Youth Spiral Curls" style for the Junior and older students and the "Spiral Pigtailed" for the Pre-School and Combo students. You may only need one pigtail, but this size is better for the young students and two for the price of one!

We have a color ring you can use to match your dancer's hair color. It is at the studio in Lumsden, feel free to stop by during class hours and take a look if you are ordering.

Please Note: If your dancer has bright colored streaks or hair (Blue, Purple etc.) you will have to purchase the above temporary stray that comes in natural hair colors and can be sprayed over the color. This spray will come out once hair is washed. You can purchase at **Sally Beauty Supply**.

Thanks for your understanding, Deanna and Staff
