

Studio Policies & Protocols during COVID-19

Effective September 2021 until further notice

Now that we are re-opening and heading back to normal, the studio will still be taking extra precautions to promote the health and safety of the dancers and staff at Dance Plus and to limit the spread of COVID-19. We thank you for your co-operation.

- If your child (or anyone in your household) is showing any signs of illness (fever, cough, difficulty breathing), they **MUST** be kept home as per your signed waiver. Dance Plus Staff will also stay home if they or anyone in their household is showing any signs of illness
- **Hand Sanitizer must be used** by everyone upon entering or exiting the building
- Dancers will Hand Sanitize as they enter their studio for class (this will be provided by the studio, you are welcome to provide your own). Dancers age 5 & under we will provide “hand wipes”
- Cleaning protocols will continue to be done periodically throughout the night of classes

In Studio Classes

- ALL restrictions have been lifted at this time so the studio will be going back to a normal schedule
- Should any changes be required upon SHA recommendations we will then have to take a look at our schedule

Before Class

We are still asking students to follow these regulations until further notice:

- Wearing of **Masks will be OPTIONAL** by dancers & staff
- Dancers should come **dressed & ready with their hair done for class**, NO change area will be available
- Students should be **dropped off NO earlier than 5 minutes** before their class time – Dancers will come into the building, hand sanitize and wait for their studio to be available
- **Dancers Ages 5 & under** - One parent/guardian per family may enter the building for drop off & pick up of dancer

Waiting Room

- **Waiting room will be CLOSED to PARENTS** at this time until further notice. Studio would like to limit the number of people in a building
- Dancers will be allowed to stay in the waiting room for breaks between classes
- Washrooms are available for **Dancers use only** when necessary

Water Bottles

- Students must **bring their own labeled filled water bottle**

After Class

- Parents should arrive to pick up their dancers during the last 5 minutes of the class.
- Please be prompt to pick up your dancer, we do not have space for dancers to be waiting for a pick-up
- Dancers will hand sanitize on the way out of the studio

Throughout

- Washrooms will be disinfected periodically throughout each night
- Commonly touched surfaces and studio space will be sanitized periodically
- STAY HOME if showing any symptoms of illness
- Masks are OPTIONAL
- Wash hands often, avoid touching your face and wash dance clothes regularly.

Here's hoping for a back to normal dance season!

Thank you, Dance Plus Staff

Thank you!
